January 27, 2017

78 Barrie Street, 2nd floor Conference Room

8-9am

Office of Health Sciences Education

Faculty of Health Sciences, Queen's University

Disclosure of Commercial Support

- This program has NOT received in-kind support from any organizations.

How Queen's OHSE Office Mitigates Potential Bias

- All programs begin with a needs assessment
- Planning committees are made up of members of the healthcare community
- No industry personnel are on the planning committees
- Presenters are required to disclose any/all relationships with industry
- We ask for your feedback, tell us if you feel biased information is being presented, or better yet, join a planning committee
